

BLOW „elegance“

Shoe, boot and glove dryer with warm air

sample picture: Blow 20 for 20 pairs of shoes and boots

OSMA panels of the „elegance“ line offer stability and an elegant design. The shape of the handles allows an an easy positioning of low shoes, children's shoes and sports shoes, and prevents them from tilting. The drying is most effecient when the tip of the shoe is pointed upwards. The smooth front surface allows an easy cleaning. The warm air pours out of the tip of the handles, thus guaranteeing a quick drying.

Advantages

- easy to position low-, children's- and sport shoes, and gloves on the handles
