

Family2

Shoe, boot and glove dryer with little space requirement

sample picture: family2 for 2 pairs of shoes and boots

The OSMA shoe dryer „family2“ was specially designed for private households. The little space requirement of this particular dryer makes it the perfect unit when space is limited. The specially designed handles ensure a quick and gentle drying of various types of shoes. The result is dry and aired footwear within minutes. Treat your family and yourself to this comfort.

Advantages

- easy to position low-, children's- and sport shoes, and gloves on the handles
